The 1958 Millidek

MILLIKIN UNIVERSITY—DECATUR, ILLINOIS

Editors: Darla Lebo and Alice Mueller. Business Managers: Larry Partington and Al Schroeder.

Reflections of M. U.

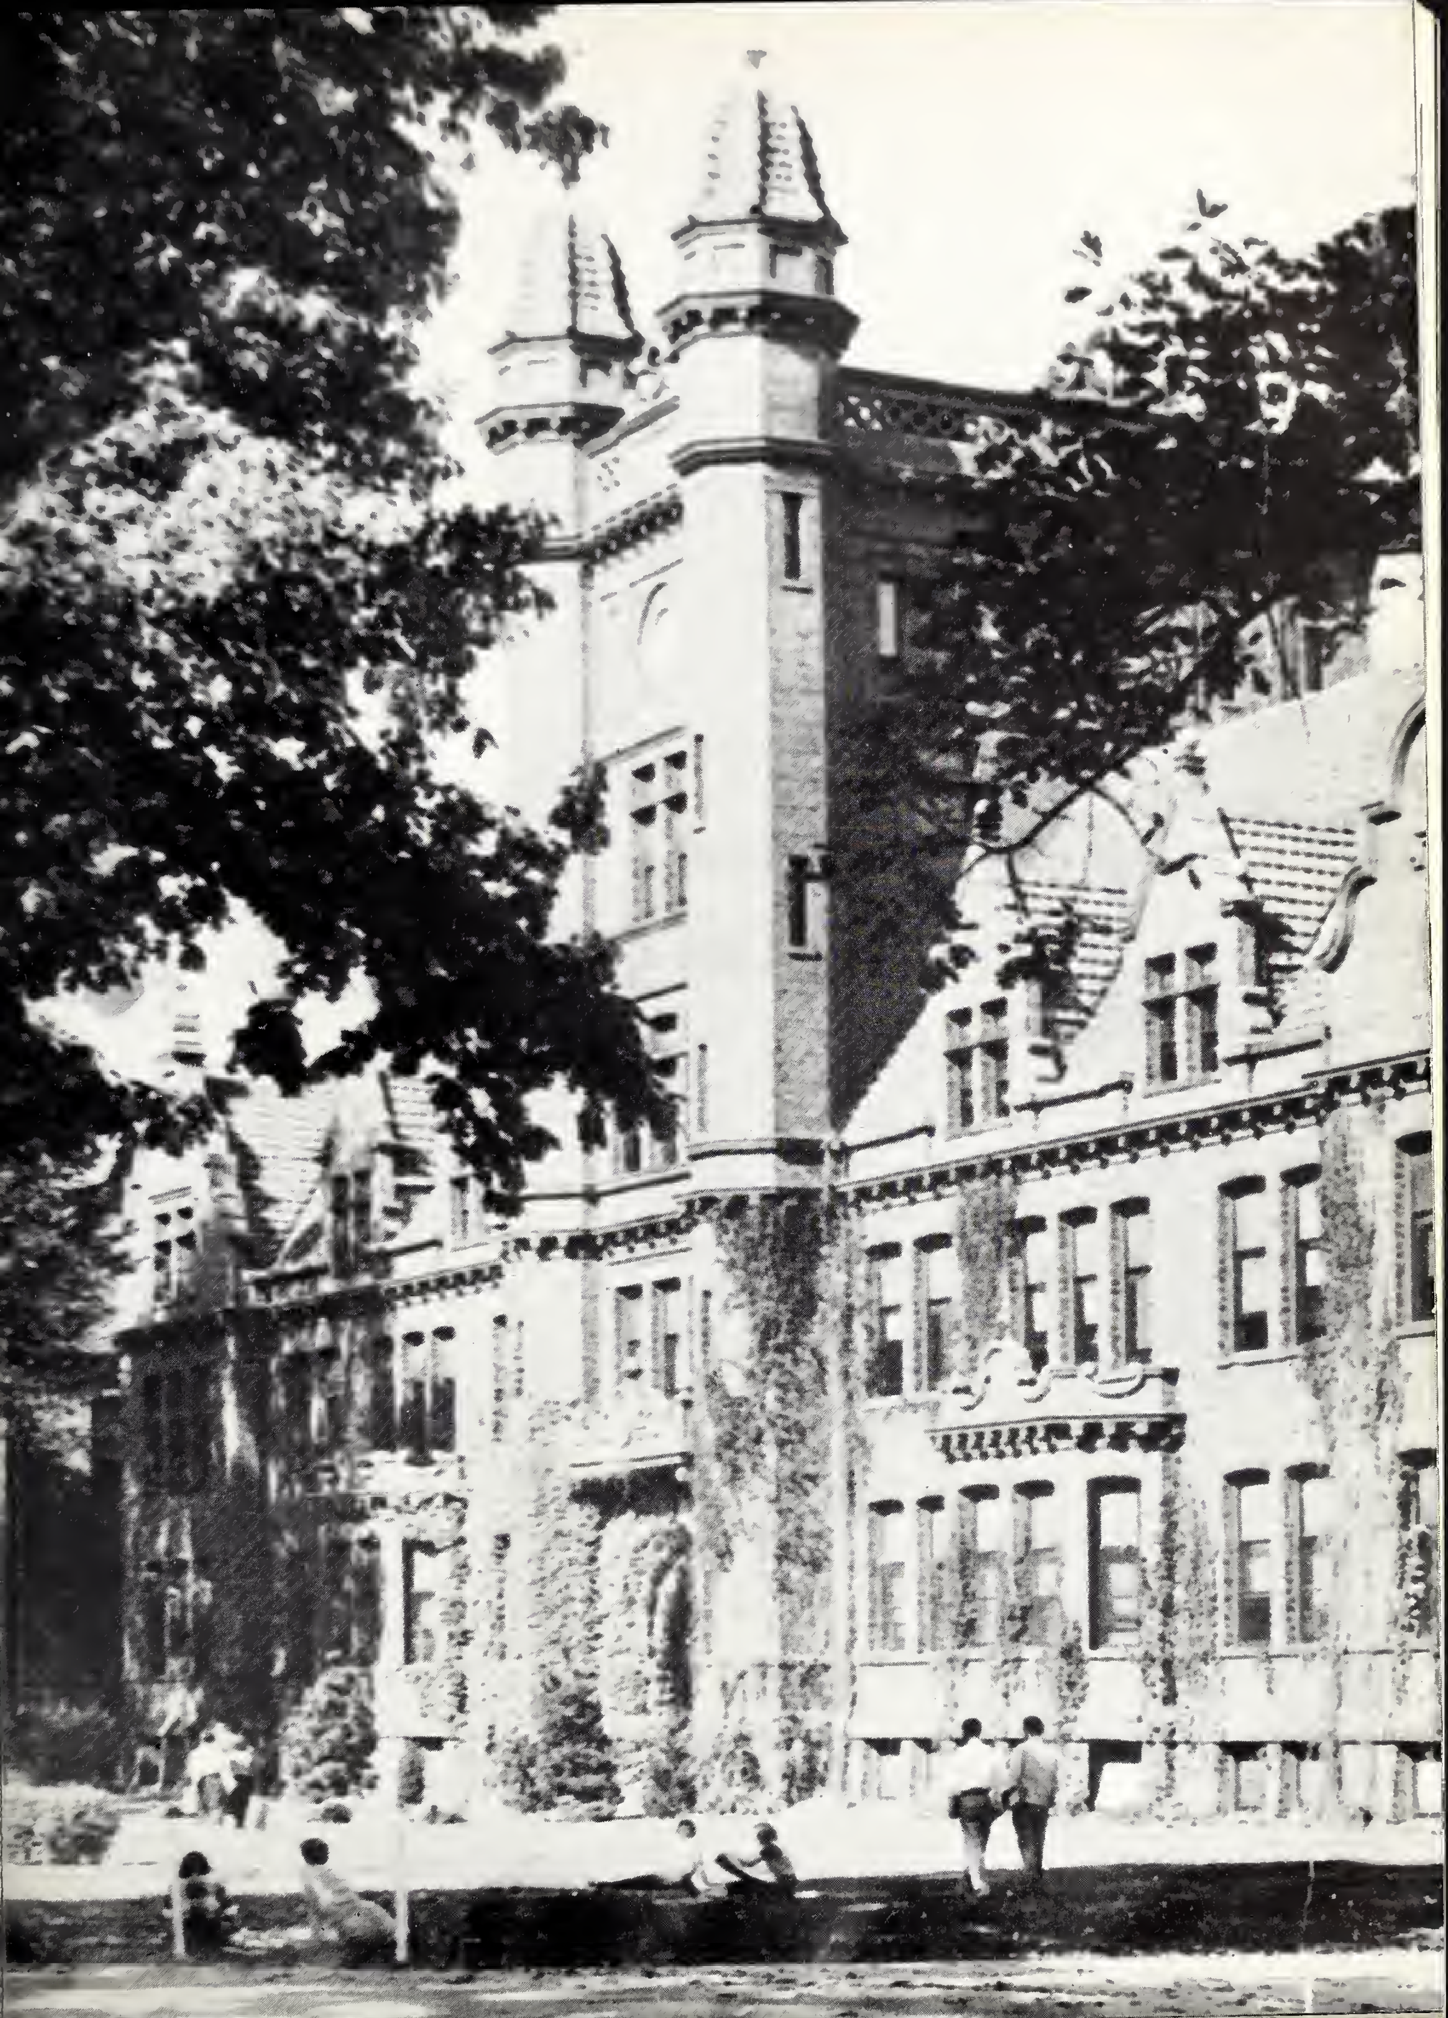
We worked and studied in
the Shadows of our Towers:

From art classes in the top of the towers to machine shop classes in the Industry Building, we earned our education . . .

And we played and relaxed in
the Shadows of our Towers, too:

With warm-weather relaxation on the campus, sports, TGIF meetings, and social activities, we enjoyed extra-curricular life.

In years to come, the filmy foliage of the trees will serve as a bordering frame for our memories, for our life, for our Reflections of Millikin University, captured in words and pictures on these pages.



President McKay met with students formally and informally and the mutual acquaintanceships soon developed into firm friendships.

To Our New President

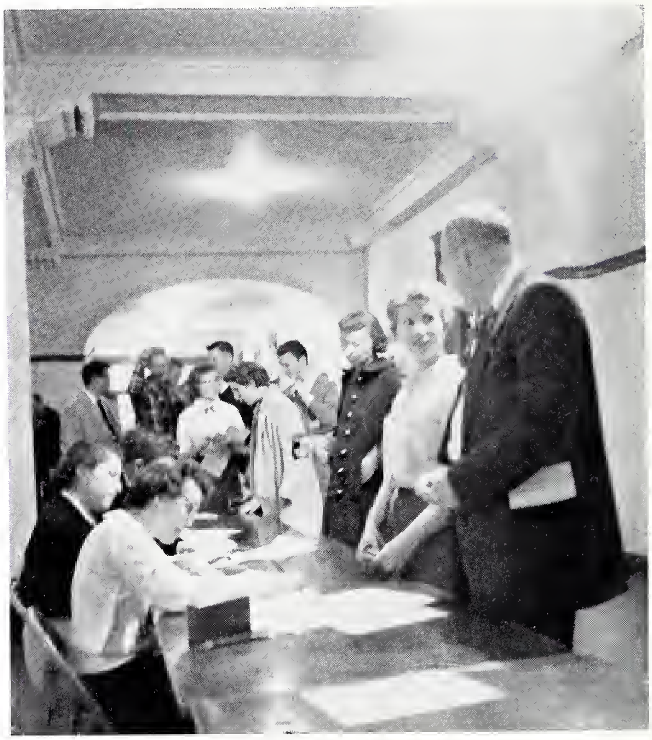
DR. PAUL McKAY

Formal Installation of
President McKay

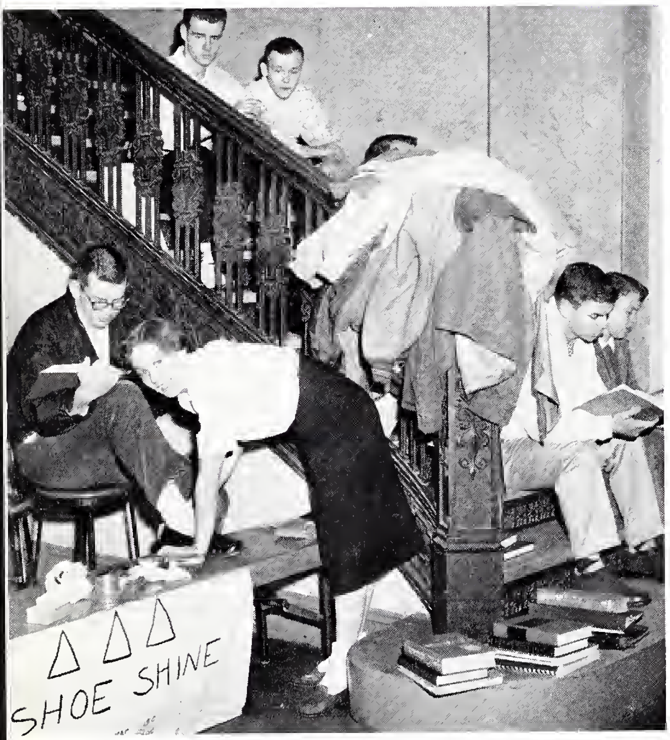
President Paul L. McKay's arrival on the campus seemed to bring us a new desire for accomplishments. He spoke of his desire to make Millikin known as a center of culture and intellectual integrity throughout the entire mid-west, and students soon noticed he was quietly and efficiently working for that purpose.

Main Building

Zenith of Millikin's campus, the tall towers of the Main Building rise above the crowded lower halls, the new Malone Chapel, and Albert Taylor stage . . .



The line up . . . one of Millikin's better known traditions.



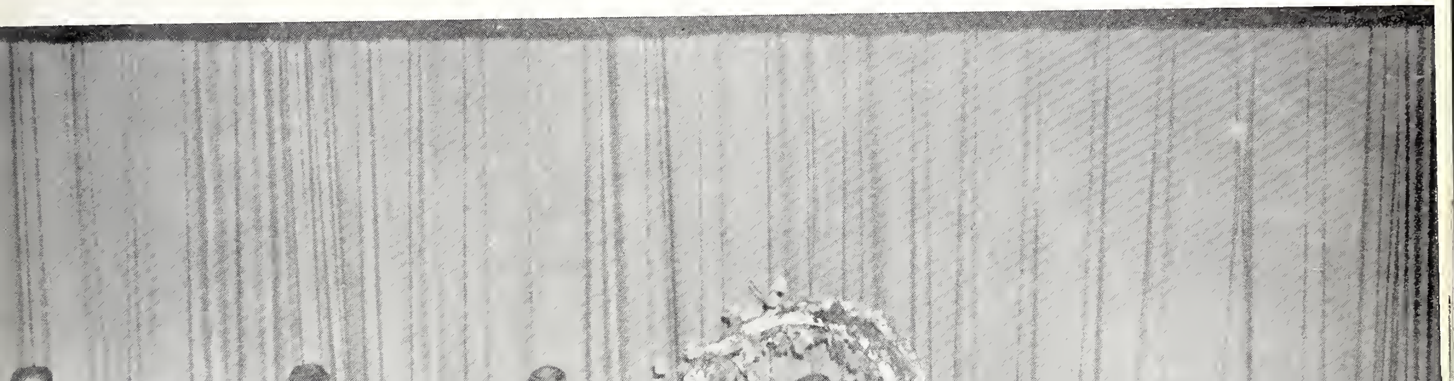
This is what a Liberal Education is good for?

Finger Painting 117 final.

But what can we use this stuff for later?

The Malone Chapel, product of an all-student campaign.

Polish Dancers step out in the Homecoming Show.



It was a bad day for the Frosh . . . they kept their beanies!

Is he grabbing it or biting it?

Muscle Stretching 1019 in
Modern Dance class.

Gymnasium

Physical development keeps time with mental achievement in exercises and sports . . .

Jake Wolf carries the ball across for a first down.

Statues of Liberty!

Rehearsing in one of the Conserv's practice rooms.

Conservatory

From the School of Music comes a fine opera, the Messiah, and well-trained musicians . . .

The happy shepherds practice in new Conserv lounge.

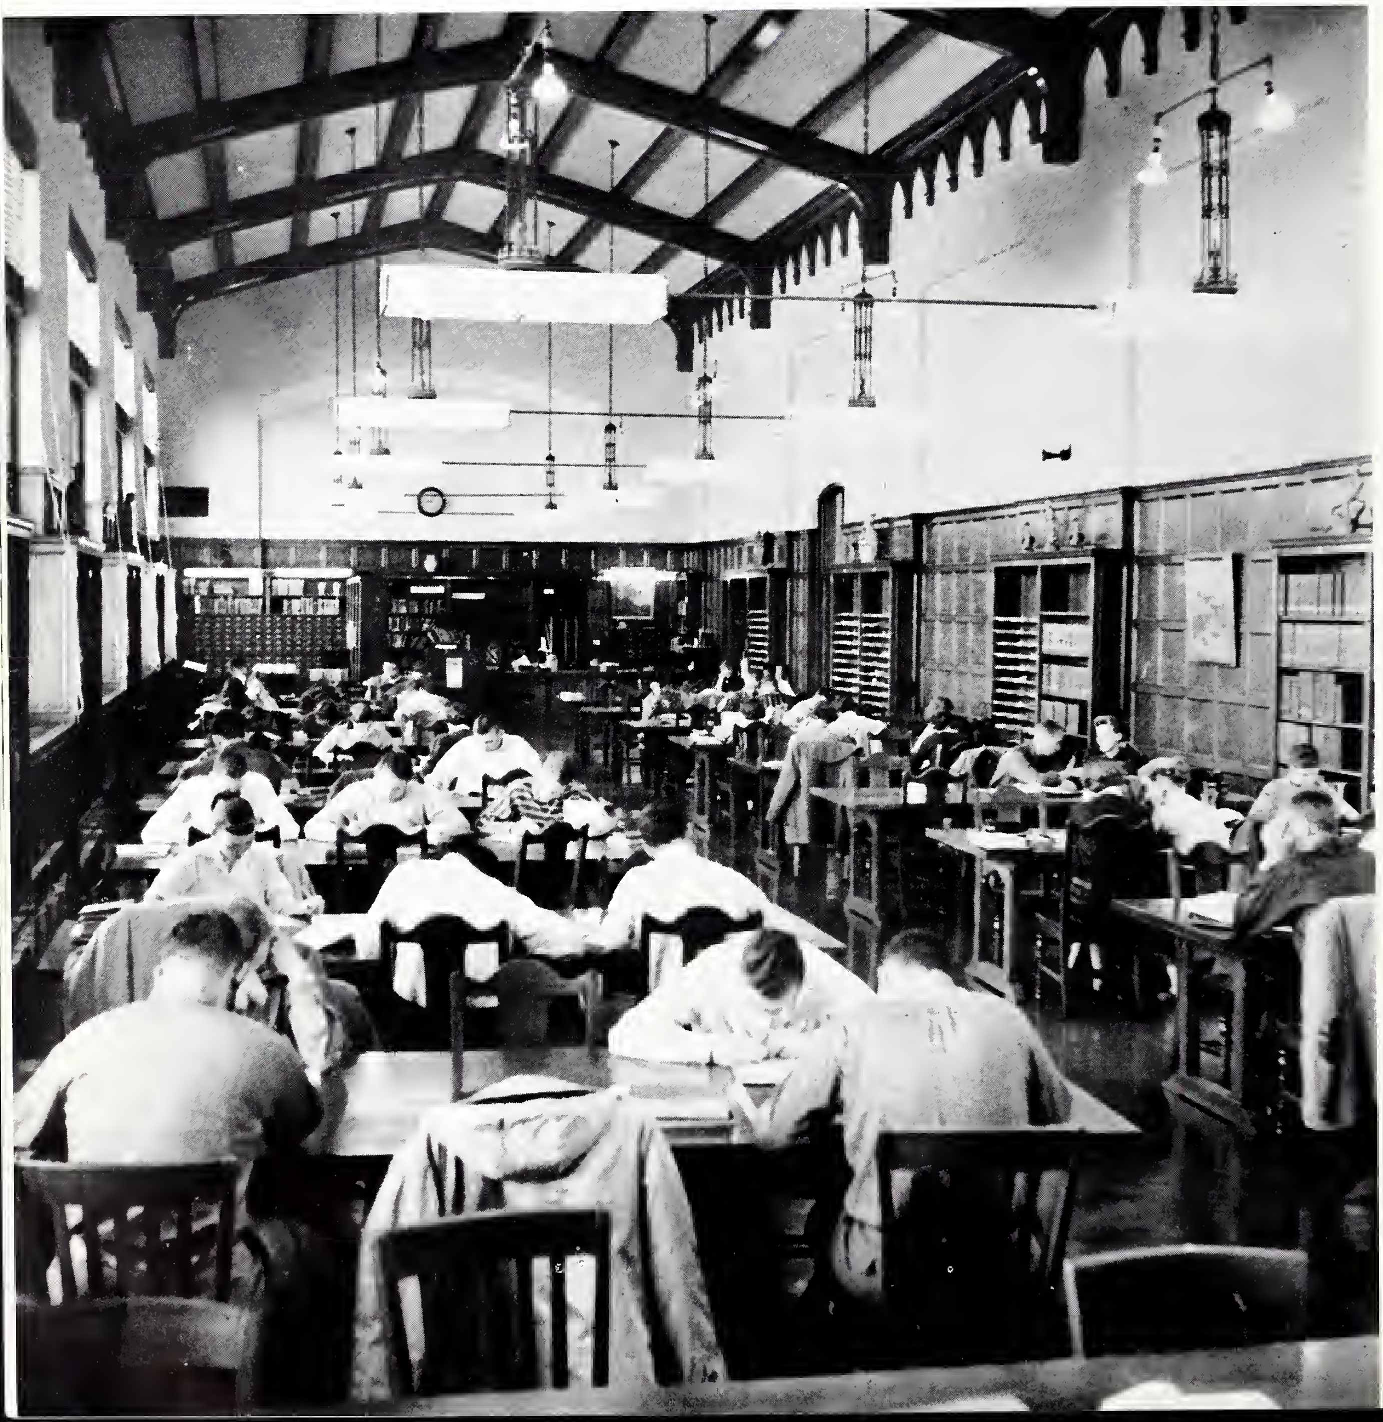
The Music School's "Gypsy Baron" was well received by an enthusiastic audience.

The annual "Messiah" is one of the more famous productions at Millikin.

Library

The stacks in the Gorin Library make a fine place to study . . . and sleep, occasionally . . .

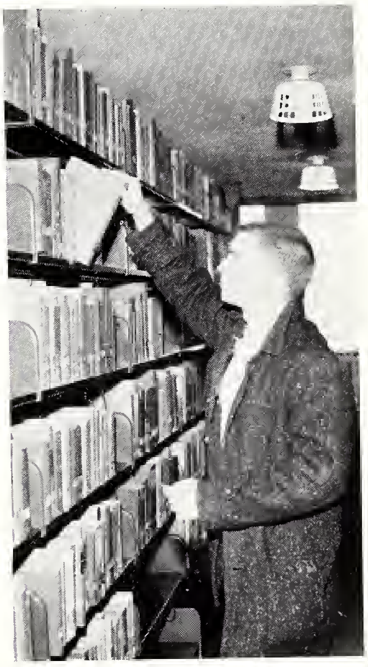
Puzzle picture: How many people aren't studying?



Look, Ma! I'm a student first class!

Free cookies and congenial atmosphere highlight the annual Millikin Dames' Christmas Tea.

Once in the Library, how do you get out?



H'mm'mm. Dusty books means few readers in the stacks.

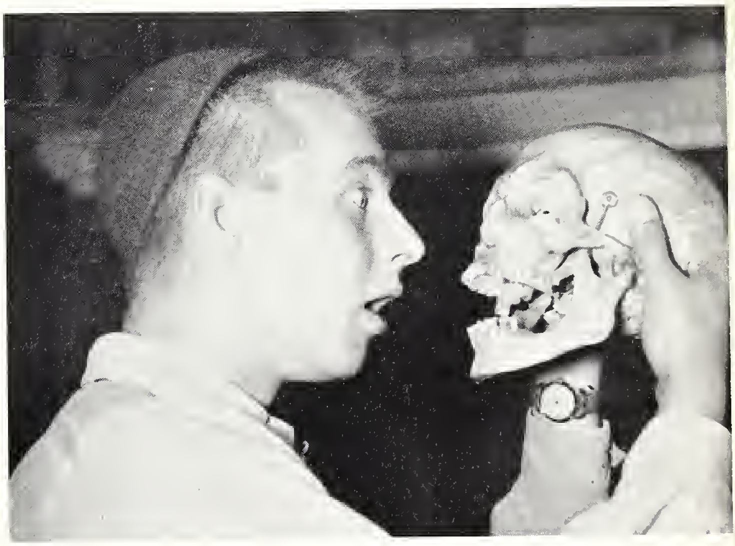
Puzzle picture: which are the exhibits?

Analyzing "SUB-standard" food.

Science

Newest MU building, the Science Hall is home for laboratory work and the explanatory Science Show.

How to get Brownie points.



Yorick!

Reflections of College

As a mirror is only a transparent piece of glass incapable of reflecting rays of light until it is worked on by skilled craftsmen, so, too, is college a blank hollowness until depth is added by skilled minds working as a catalyst to the strange mixture called education.

Millikin taught us college is not a place to show off what we already know, but instead a place to discover gaps in our own knowledge.

PRESIDENT PAUL McKAY

DEAN C. L. MILLER

Installed as Millikin's president October 17, 1957, Dr. Paul L. McKay and his charming wife and daughter quickly added an air of congeniality to the campus.

The **Decaturian** added to its long list of editorial plaudits, ". . . an extremely versatile and capable man: an intellectual; a minister; a wonderful speaker with a clear, firm voice; a somewhat shy and quiet man; a firm believer in his convictions; a man who has answered the question thinking men ask themselves, 'Why are we here?' "

Dean C. L. Miller, as Dean of the University, has the difficult task of continuously raising the standards of our expanding college while handling the many problems that confront students and faculty. Proof that he does so is seen in the harmonious campus life.

Deans

HARRY B. WELLIVER, Dean of School of Music

DEAN FRANCES E. FALVEY

E. W. PLOENGES, Dean of Veterans

Dean of Women, Frances E. Falvey, has earned a warm respect from everyone she has worked with on campus — and that means 99% of the student body — because Dean Falvey is known as the one to go to when confusion or trouble strikes. Also Director of Student Affairs, a mathematics instructor, and tireless committee worker, Dean Falvey is probably the best-loved member of the Millikin's campus community.

Afraid he'll dunk you?

Lighting facilities at MU are poor.

Why's HE so happy?

Hippetty-Hop, we go to test.

Reflections of Activities

Reflected in dance bids, in programs,
in souvenirs, one can see many things:

. . . a special dance, perhaps;

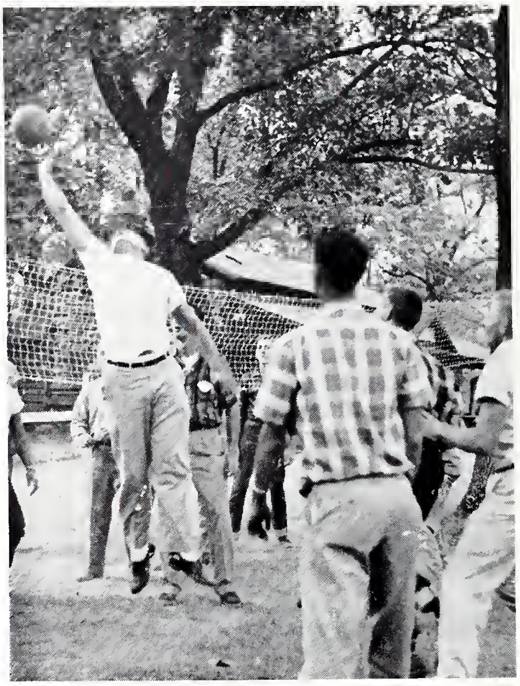
. . . or a perfect evening;

. . . a whirlwind weekend of fun and
laughter;

. . . or a thought-provoking conference.

. . . Comedy and Tragedy, Musical
Evenings, or any of a million other things
will shine hazily from precious thoughts and
souvenirs in the soft light of remembrance.
Now we SEE them reflected; soon we'll only
PERCEIVE them, these reflections of that
wonderful experience called College Life.

Freshman Camp proved to be a happy educational experience when Frosh were introduced to MU.



Unghff!

The freshmen become bothered and bewildered . . .

The outstanding Freshman Camp seemed to set the pace for the new crop of beanie-wearers, and throughout the year they rolled in high gear, even waking up the stolid seniors. That old song about "Bewitched, Bothered, and Bewildered" was true for only a short time.

Not only did they assist in the organizations already existing, but they also initiated a Booster Club which will probably become one of MU's traditions in coming years.

The Big "M" was burned the last night at Frosh Camp, and the reflected letter on the water burned its way into their minds, giving the freshmen a strong impression of school spirit.

At dances, Freshmen talked and made friends.

Beanies were discarded at Thanksgiving.

. . . but only for the first week.

Not all was work at Millikin, Freshmen learned, and they entered into the social whirl with zest and enthusiasm.

They gleefully announced their victory tugging rope in the annual Frosh-Sophomore meet (but they lost the event, anyhow).

And then it was Homecoming Weekend!

Co-chairmen Barb Bergen and Ron Herman deserve credit for the wonderful weekend of events.

Homecoming was successful: Millikin won, 28-14, over Lake Forest; Dr. McKay was introduced to the alums; the floats and house decorations were beautiful; we had a wonderful queen; and the freshmen had to continue wearing beanies until Thanksgiving!

Dr. Paul L. McKay was officially installed.

The Freshmen tried valiantly, but the Sophomores were victorious in the annual tilt between the two classes.

BUILDING the NEW

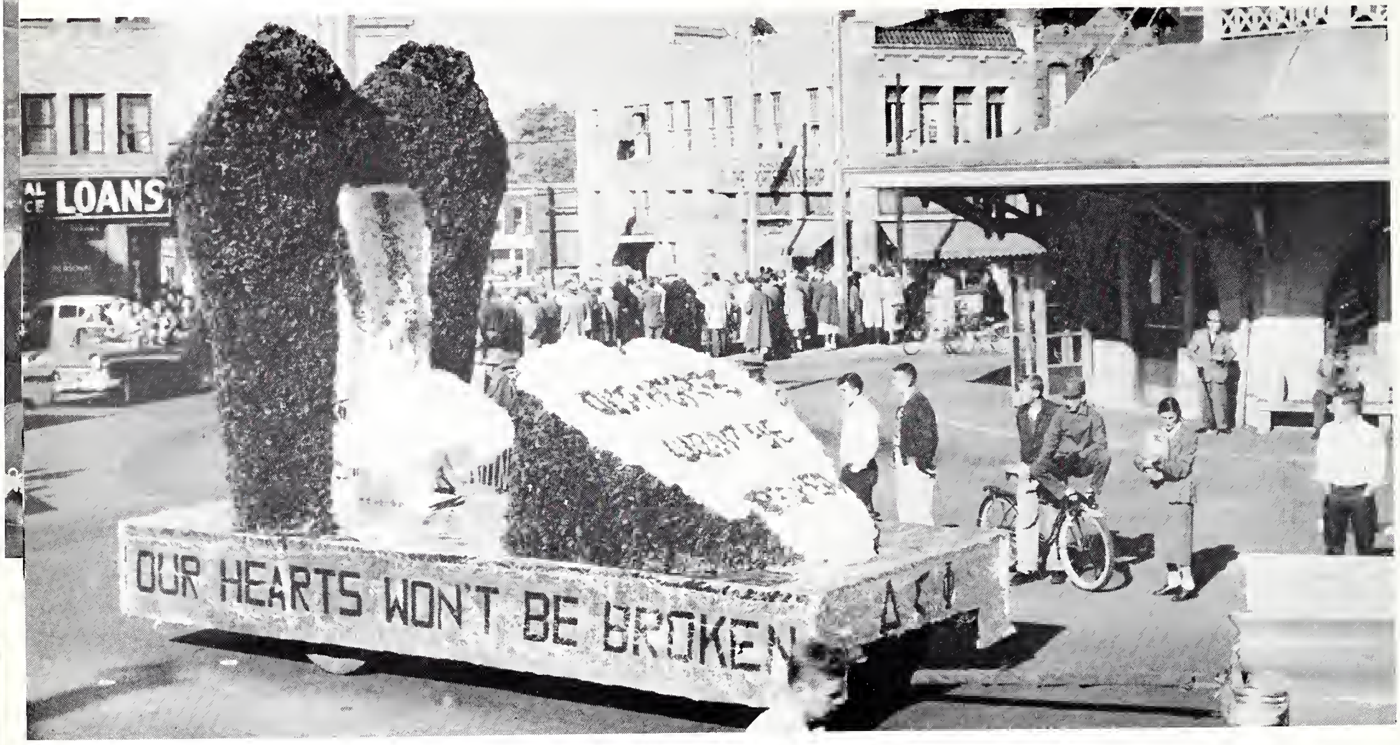
The Homecoming Dance, with the Hilltoppers, featured construction materials for decorations to follow the theme of "Building the New at Old MU."

During Homecoming festivities, TGIF meetings were infrequent. The reason? There were too many things to do! The Homecoming show was entertaining, the dance fun, and friendliness was everywhere.

The "Zingfield Follies" was a smash hit for the Homecoming Show.

Homecoming Queen, Jackie Crinigan, and her court were presented at half-time of the MU-Lake Forest football game.

. . . with prize-winning floats . . .



LOANS
OUR HEARTS WON'T BE BROKEN
ΔΣΦ

Delta Sigma Phi won first place in the float parade using the theme "Our Hearts Won't Be Broken," with Fraternity Dream Girl Skip Heileman swinging in the center of the heart.

"We're Laying for Them" won second place for Sigma Alpha Epsilon. The chicken even laid eggs!

WE'RE LAYIN' FOR 'EM

Bud Ward, President McKay, Mickey Sprinkle, and trophies.

. . . and fancy house decorations . . .

First place house decoration award went to Tau Kappa Epsilon.

Awards for House Decorations went to Tau Kappa Epsilon, first place with "Aloha Alums—Welcome Back to Our Little Grass Shack"; Delta Delta Delta, second place, using the theme "Delighted to See You, Alums"; and Delta Sigma Phi, third place, "Welcome Alums, Back to the Web of Fellowship."

Co-Chairman Dick Groves

Cyrano rides again!

. . . fun and frolic for a good cause.

The 1957 Campus Chest drive, under the leadership of co-chairmen Dick Grove and Jackie Crinigan and their committee, began its week of campus activities with a gay carnival in Lower Hall. Following the carnival, students and faculty went to A. T. Hall for the humorous and lively talent show. After this kick-off, and later in the week, faculty members were auctioned to the highest bidder, John Cross was crowned Mr. Campus Chest, and the annual Campus Chest dance ended the festivities. By "doing its best for Campus Chest," Millikin exceeded this year's goal.

ROW 2: P. Stoutenborough, B. Krehemker, T. Weyher.

Dr. McKay spoke at Student-Faculty retreat . . .

The annual Student-Faculty retreat was attended by some 50 persons who came up with ten recommendations for the campus during the thoughtful weekend.

. . . and some played bridge . . .

. . . in between committee meetings . . .

. . . punctuated by group singing.

"Wake Up and Live"

Religious books were displayed.

This year Religious Emphasis Week was a tremendous success. The week was full of activities such as chapels, seminars, dinners, and buzz sessions. Three outside speakers and three Decatur speakers took part in the activities. The students and faculty of Millikin not only benefited from this week, but also enjoyed it very much.

RE Week chairmen are nice people; they even can smile at 7 a. m.

"Laurence-a-Welliver Tours-a-the-World"

WE ATTENDED
the Variety Show for humor . . .

"Is There Life on Earth?" We sought the answer to this pressing question, but, as the curtains closed on our final saucer-stop, we wondered, "Is **this** life on Earth?!!" While weighing these problems, a full house had many a chance for laughter, excitement, and a liberal "worldly" education.

"The Redcoats"

"African Safari"

. . . the Conservatory's "Gypsy Baron" for music . . .

The Gypsy Baron, this year's annual musical production, reflected the outstanding talent of the music school staff and students. Hubert Norville produced and staged the opera, and Paul Skinner and Wesley Snyder worked with the orchestra and chorus, respectively. The delightful comedy featured many famous Johann Strauss waltzes.

"Cyrano de Bergerac" was the first production by Town and Gown, and a swashbuckling performance it was, too.

. . . Town and Gown's spectaculars for drama . . .

Town and Gown's "Cyrano de Bergerac," with Lou Catron in the title role of the man with the long nose, was probably the most spectacular dramatic achievement in Decatur. The group also presented "Antigone," "Man of Destiny," "How He Lied to Her Husband," and "Taming of the Shrew."

"Man of Destiny"

St. Olaf Choir

. . . and fine arts for culture.

Again this year Fine Arts brought a wonderful series with Soprano Theresa Green, the hilarious Goslar Pantomime Circus, the impressive St. Olaf Choir, the piano wizardry of Nelson and Neal, and the musical Concerto Festival. All told, it was a tremendous season.

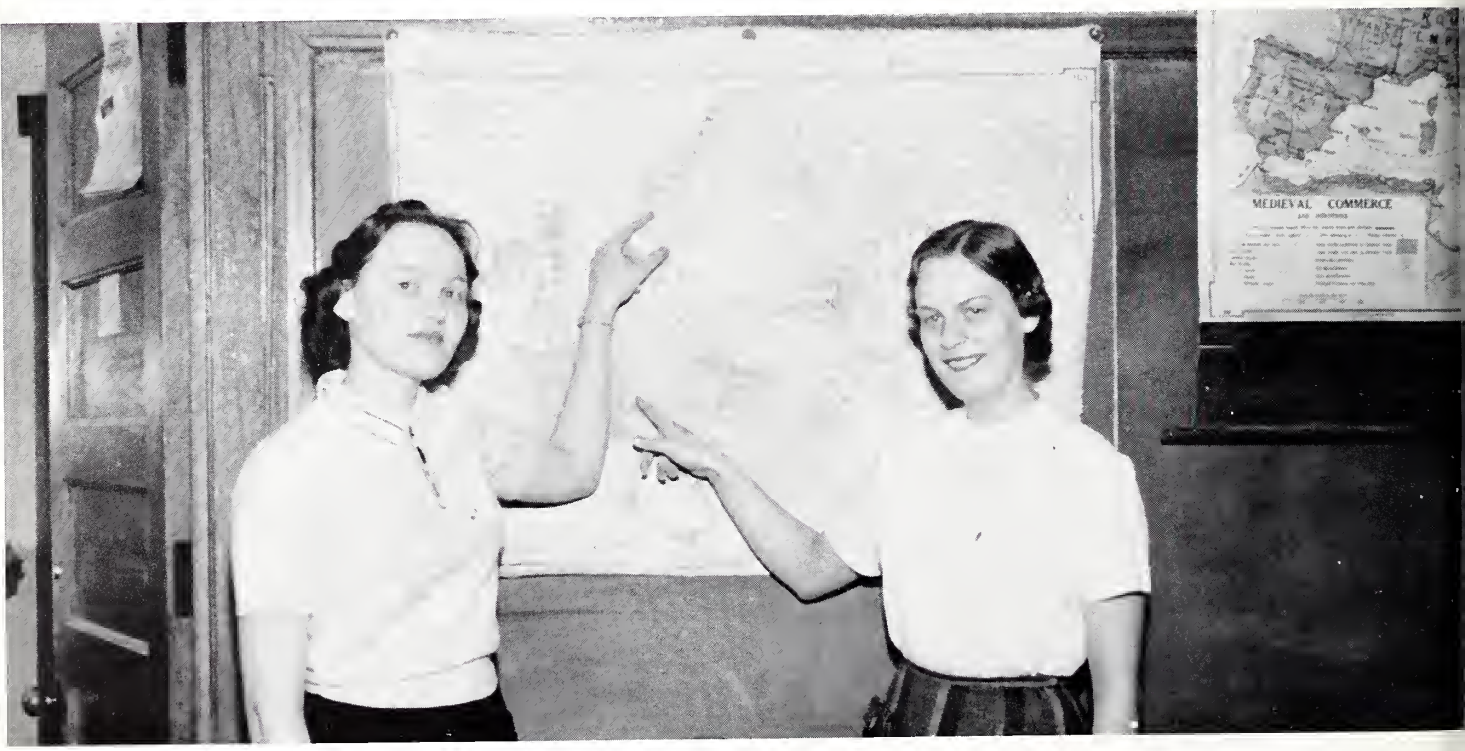
The Student Council's "Argyle Amble" produced many "hole-y" socks, but was fun anyhow.

The MIA-sponsored all-school square dance was a different social activity.

Sweethearts entered the doors to the Student Council's "Sweetheart Dance" where every song was one of love . . . or something mushy like that.

Shoe-type things floated loose confusing Sock Hop dancer Barb Colburn . . . and everyone else!

Betty Patterson and Carol Frede were recipients of the Campus Chest Work Camp Scholarship.



The campus community enjoyed the dinner sponsored by International Students.

Reflections of Organizations

Campus organizations have two important contributions: lessons in leadership and cooperation with others. Each organization reflects the minds of its leaders and members in the way it conducts itself; each has the opportunity and the power to raise itself to higher goals by its own contribution to the university and to its members.

Millikin has an organization for everyone who desires to join . . . social, honorary, or service. And this reflects, in turn, a well-rounded university, one that realizes the importance of extra-curricular life.

Graduates of Millikin will reflect training received on the campus. We're indeed fortunate to have so many opportunities to learn vital lessons through organizations.

Student Council decorated the Christmas tree in front of A.T. Hall.

Student Council

The Student Council, with Ron Snead as president, did an outstanding job of organizing the campus activities this year. The Student-Faculty Retreat, sponsored by the Student Council, was one of the highlights of the year. All in all it was a very successful year.

Senior Panhellenic Council

The Panhellenic Council is an organization composed of the presidents and rush chairmen from the four national women's social fraternities on campus with Dean Falvey as adviser. Its main function is to determine rush rules. The president this year was Carol Marshall. This year's activities included the Panhellenic Banquet honoring new pledges, the Panhellenic Dance, and the Panhellenic Slumber Party.

Interfraternity Council

The Interfraternity Council is composed of the faculty advisers, presidents, and two other representatives from each fraternity. The Council acts as a clearing house for all fraternity problems. This year the I. F. C. dance, the exchange programs, and the I.F.C. cheering section at football and basketball games was sponsored by the Council. The president this year was Lowell Bower.

Alpha Chi Omega

Inspired by the many new ideas from the National Convention in California, the Alpha Chi's began another successful year of sisterhood.

With the help of the entire campus, once again the annual street dance was a success. Many thanks to all of you. We all felt that the high spot of the first semester was our Christmas party for underprivileged children, for we gained more than they did by watching their glowing eyes as they opened their gifts. The pledges contributed much of their time and effort in making self-help toys for children suffering from cerebral palsy.

Alpha Chi Omega has many members who have been active in campus leadership this year. Dixie Hertenstein served as Religious Emphasis Week Co-Chairman, Darla Lebo as **Millidek** Co-Editor, Marlene Snearly as Pi Mu Theta Vice-President, and Carol Marshall as Panhellenic President and Senior Class Vice-President.

We are grateful to Mrs. W. D. Peel, our House Director; Mrs. Richard Dill, our Alumnae Adviser; and Mr. Ralph Allan, our Faculty Adviser, for their guidance and help.

Pi Beta Phi

Pi Beta Phi started the year with a very successful rush season. Following this came the Homecoming ceremonies with our candidate, Jackie Crinigan, reigning over them as Homecoming Queen. We had barely begun to relax from Homecoming week-end when along came the pledge dance and our formal, "Winter in Heidelberg." Before Christmas vacation, we had our annual Christmas Party for the faculty children and the all-school Caroling Party.

As soon as finals were over, we started our new semester with plans for our house dances, Greek Sing, Variety Show, and our spring formal.

Many of the Pi Phi's were leaders in campus activities. Mary Tempel was busy this year as Assistant Editor of the **Decaturian.** Jackie Crinigan was elected to **Who's Who,** served as co-chairman of Campus Chest, and along with Karla Fleck cheered on the Big Blue. Jan Walmsley was initiated to Phi Kappa Phi. Betty Patterson was the recipient this year of the European trip sponsored by Campus Chest. Selma Mitchell worked as co-chairman of the Variety Show and was also elected Secretary of Student Council. Pi Phi's serving as class officers of Student Council are Ann Wright, Joel McClelland, Judy Hagebush, Janet Van Ausdall, and Mary Gage.

We extend our thanks and appreciation to Mrs. Helen Cherry, our housemother, and Mr. and Mrs. "Hank" Gill, our faculty advisors.

Zeta Tau Alpha

The Zetas began a busy year with rush week, immediately followed by Homecoming activities. Our winter formal, "Winterlude," and house dance, "Halloween Howl," were big social events of the first semester, along with our annual tree-trimming party. The steak-and-bean dinner, Variety Show, University Sing, and Mothers' Weekend were highlights of the second semester.

Many Zetas have been active on campus. Sally Griffin, who attended a work camp in Japan last summer, was elected to **Who's Who,** Phi Kappa Phi, and Pi Mu Theta, as was Mary Brookbank. Carole Knudson Tinsley was Dads' Day Co-Chairman, Nina Ruth Harper served as head majorette and Circulation Co-Editor of the **Dec,** and others served as officers of various school organizations.

Our sincere thanks go to our house director, Mrs. Davenport, and to Mr. and Mrs. Driesbach for their support during the year.

Alpha Kappa Lambda

Pi chapter of Alpha Kappa Lambda has had another good year. The AKL's started the year off by taking three out of nine awards offered by the national organization. These were: the Logos Foundation Campus Activity Award, the Logos Foundation Religious Activity Award, and the AKL National Achievement Award.

The first semester AKL held its winter formal, "The Jingle Bell Ball," in Prince Hall, and it held two house dances. AKL participated in homecoming, exchanges, and intramurals. AKL and Delta Delta Delta teamed up for Campus Chest. Their candidate for Mr. Campus Chest was Bill Krehemker. Real progress in getting meals served in the house was made this year. Three times a week, co-operative type meals were served.

Delta Sigma Phi

Once again the men of Delta Sigma Phi had a great year on the Millikin campus. We were this year honored with the award for the "Top Chapter of Delta Sigma Phi International Fraternity." The school year began with rush parties, picnics, and top honors in Homecoming Float Decorations. The rest of the year was highlighted by exchanges, house dances, two formals, and a "Sailors Ball" that will be remembered for many years.

We began the second semester by moving into our new home at 1313 West Main Street. We loved the old house, but "home was never like this."

The Delta Sigs were well represented in every phase of campus life this year. Dick Grove led the senior class along with Jim Kaiser as treasurer, Mike Perelli led the junior class with Wayne Martin as secretary, and Ron Sutton was elected president of the freshman class.

In addition to being represented in just about every campus organization, Delta Sigs also captained the football, basketball, and baseball teams.

Sigma Alpha Epsilon

During the 1957-58 school year, Sigma Alpha Epsilon continued its reign as the "growingest fraternity on campus." Bob Hart was elected president of the C.C.I. Student Government Conference for 1958, Lowell Bower was president of the Interfraternity Council, Chuck Bach was president of the freshman class, Joe Niess was president and Tom Carlson treasurer of the sophomore class, Bob Muehlebach was business manager of the **Decaturian**, and Ron Rain was Freshman Camp song leader and Co-Chairman of RE week.

In athletics Brother Joe Koger averaged 18.8 points per game in basketball, top average for the team; Chuck Davelis was first team All-Conference and All-State in Football; Howard Bartley was captian of the track team; and Lou Coe captain of the tennis team for the second time.

Chapter activities included a Wheel-Chair Basketball game with the Gizz Kids of Illinois for charity; Winter and Spring Formals; a Paddy Murphy Dance, complete with funeral procession, casket and all; a Founder's Day Dinner; and our annual initiation trip to S.A.E. National Headquarters in Evanston, Illinois.

There was also much excitement nationally, as Sigma Alpha Epsilon became the first social fraternity in history to go over the 100,000 mark in total members.

Tau Kappa Epsilon

"Love, Charity and Esteem." These are the cardinal virtues of Tau Kappa Epsilon. They represent the essential elements of our fraternity and of our lives. Not only do we read these words from the printed pages of our pledge manual, but once we take on the bond of Tau Kappa Epsilon, we live by these tenets. We of Beta Chapter are justly proud of this heritage of our fraternity.

The TKEs enjoyed an outstanding Rush Week followed by the pledge dance, "Early Autumn." This dance was followed by our annual "Harvest Hop" and by our winter formal, "Winter Silhouettes." Our Spring formal, "The Festival of the Red Carnation," was one of the outstanding social events of the year. Sorority exchanges and house dances headed the social calendar throughout the rest of the year.

We were honored during homecoming with a visit by Mr. Frank Scott, national president of TKE and also an alum of the class of 1924.

The Binks Manufacturing Co. awarded Dale Bailey a scholarship for men majoring in Mechanical Industry. Mickey Sprinkle was the recipient of the Steagall-Sarran scholarship award. Nick Evangelista received a Memorial grant award. Darryl Smith was elected to **Who's Who.**

Millikin Independent Association

The Indee year began with the usual whirl of parties welcoming the Freshmen to Millikin. Soon something new was added. For the first time "I" pins were given to identify the members. It wasn't long before we were busy preparing our float for Homecoming, with its theme "We'll Tromp 'Em." Then on to our winter formal, "Starry Night," before the end of the first semester.

Second semester began another full social schedule. MIA sponsored an All-School Square Dance, and took part in the Ugly Man Contest, Variety Show, and the University Sing.

In spite of all the activities of the organization, many Indees found time to hold office in other organizations. Marilyn Day was vice-president of French Club, Dave Gernand was vice-president of F.T.A., Carol Clevenger was president of Tower Club, Paul Stoutenborough was treasurer of A. P. O., and Lee Erickson was Student Council representative for Young Democrats.

Our deepest thanks go to our adviser, Mrs. Nanette Smith, whose help and encouragement went far in making this Indee year a success.

Upsilon Epsilon Tau

VET was organized over three years ago as an ex-serviceman's fraternity. The organization enables the veterans on the Millikin campus to participate in social and cultural activities, keep abreast of current veteran's affairs and help promote the welfare of the Millikin community.

VET served the university this past year in many quiet yet useful ways. Many will remember the color guard at all home football games, the drivers and cars of the Homecoming queen and her court, and the ticket vendors at the Town and Gown productions and Variety Show.

The VET Christmas dance will always be remembered by all who attended. A sizeable donation to the Salvation Army for a needy family was realized, as well as a good time for our wives and sweethearts. In the spring, VET celebrated its annual Founders' Day dinner, honoring its very capable president Bill Coffey and faculty advisor, Dean E. W. Ploenges. The dance, many informal social gatherings, and the Homecoming float composed a well-balanced year of social activities for Upsilon Epsilon Tau.

Who's Who in American Colleges and Universities is an honor society composed of students who have shown outstanding strength in character, citizenship, scholastic ability, leadership, and responsibility. Candidates for **Who's Who,** nominated by the Student Council, are judged by a committee selected by the Dean. This list must then be approved by the National Headquarters of **Who's Who** before membership is attained.

Only second semester juniors in the upper 5% of their class and who have maintained a 3.5 average and seniors in the upper 10% of their class with a 3.25 average are eligible. The purpose of the society is to promote high scholarship among students and to recognize those students who have maintained such high scholastic standings. Phi Mu Alpha

Beta Theta chapter was chosen during the past school year as the outstanding chapter in Province Five. This award was based on the chapter's success in carrying out the four purposes of Phi Mu Alpha, Sinfonia. These purposes are (1) to advance the course of music in America, (2) to promote the general welfare of students of music, (3) to foster the mutual welfare and brotherhood of students of music, and (4) to encourage loyalty to the Alma Mater.

With the pledging of eighteen new men and the initiation of seven, the chapter was able to put on a Pop Concert centered around a nineteen-piece orchestra. The chapter also performed the best All-American and Contemporary Programs of recent years. Other musical activities included Christmas caroling at Decatur hospitals and organizational houses, providing music for the Campus Chest dance, and co-sponsoring the University Sing.

Plans for the coming year provide for the sponsoring of a series of alumni performances and a concert by one of America's finest musical groups, a repeat of the Pop Concert and other annual activities.

Decaturian Staff

Under the firm leadership of editor Lou Catron, the Decaturian had a record-setting year (among the records, third prize in a national collegiate newspaper contest; a 16-page Homecoming Issue, complete with a full page picture of the queen; several Literary Issues; and a printed total of 100 pages in 16 issues in first semester).

Bob Muehlebach (first semester) and Jim Kaiser (second semester) served as business managers for the growing Dec, more expensive than ever.

The Dec also initiated a Citizenship Award given at Honors Assembly.

Though students still called it The Ol' Rag, it served as spokesman for the campus, spearheading controversial matters.

1958 Millidek

Millidek co-editors Alice Mueller and Darla Lebo chose the theme of this year's book ("Reflections of MU") rather carefully to please the students who thrive on memories. Yet it is even money odds that in future years Alice and Darla will but seldom look at the finished product because their reflections or memories will be too vivid: reflections of late pictures and hashed copy, of irate professors and clubs who missed picture appointments, of general fatigue.

To the rest of us on publications, they served as inspiration, for through it all . . . through their long hours of dreary work while the halls echoed with laughing students . . . Alice and Darla managed not only to keep on working, but to remain cheerful and pleasant bosses.

They did their good job so quietly that we staff members can merely offer an equally quiet "thank you" to them.

Now, when the job is almost over, they can look back and laugh at former tense moments . . . and these, too, are Reflections of MU.

Reflections of Sports

The Big Blue's victories and defeats were reflected in the faces of our team and student body. However, though the victories were not quite as numerous as we would have liked, the Blue did not give up. Win or lose, the Big Blue spirit is always the same. This spirit is an intangible thing, but it always has two characteristics—drive and determination.

COACHES
Ralph Allan, Don Shroyer

Alums Allan and Shroyer serve Big Blue

Assistant Coach, Don Holler

Coach Ralph Allan and Coach Don Shroyer, both of whom served Millikin as outstanding athletes in their college days, this year continued to serve MU as outstanding coaches.

Coach Allan, in eleven seasons as head basketball coach, has guided the Blue to five College Conference of Illinois championships, three second place finishes, one third, and one fourth. In 1951, he guided the Big Blue to a second-place finish in the national tournament of the National Association of Intercollegiate Athletics.

In both of Don Shroyer's first two years as football coach, the Big Blue have just missed conference championships. In 1956 the Big Blue finished second to Wheaton, and this year, finished third.

"M" Man of 1958

LARRY KANE, "M" MAN

Larry Kane has been chosen "M" man of the year by the Millidek editors. The selection was made on the basis of athletic ability, sportsmanship, and extra-curricular activities. Larry was a standout as Big Blue quarterback for four years and served as field captain this past year. Kane, who stands only 5 foot 7 inches tall and weighs only 135 pounds, will probably go down in history as one of the all-time Millikin football greats.

In his four years with the Big Blue he has shattered practically every College Conference of Illinois passing record. And this year his running and kicking contributions converted him from a "passing whiz" into a "triple-threat." "The Killer" is a perfect example of a student who provides his own financial support. He has a meal job and earns his room rent by serving as a barracks manager.

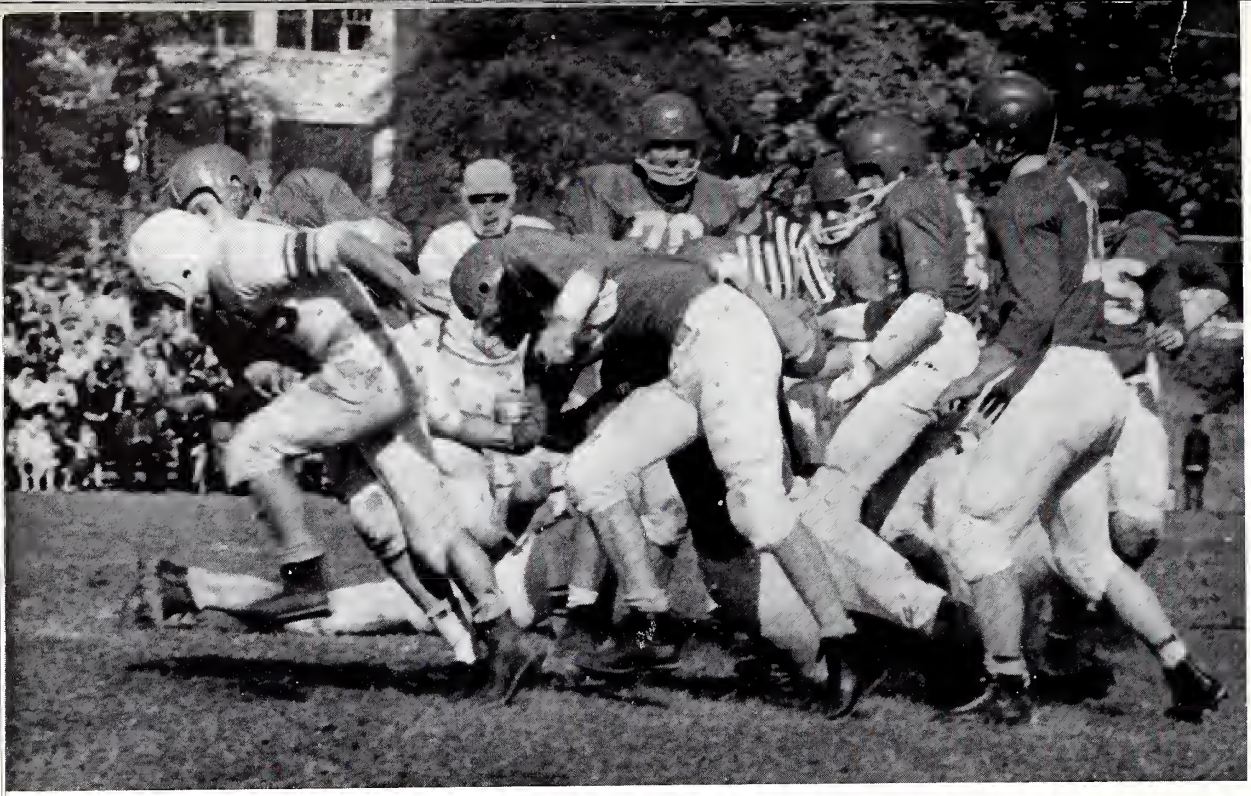
Despite a poor finish, the Big Blue still finished high in the College Conference of Illinois football standings with a 4-2-1 record. In their only non-conference game, the Blue lost to a fine Missouri Valley team. Millikin was undefeated in conference play going into the last three games of the season. However, after a tie with Wesleyan, the Blue dropped successive games to North Central and Wheaton. One of the highlights of the season was the fine playing of seniors Larry Kane, John (Monk) Connolly, Hal Fuson, Dave Rayhill, and Ron Wisher.



These things typify MU football

These are just a few of the things that typify Millikin football. There is the industry building whistle counting out the score. Remember the Elmhurst game when the whistle blew 52 times? And the M Club refreshment stand where you can buy hot dogs and that hot black stuff they call coffee?

The record-smashing 113-96 win over North Central and the near upset of Quincy are two examples. However, prospects for next year are good. In his second year as Big Blue baseball coach, Don Shroyer was greeted by a 21-man squad, including nine lettermen. Coach Shroyer had a letterman for each position except second base, where Tom Carlson took over for the graduated Don Petty. However, as the season opened, the Blue were in need of depth behind the plate. Letterman Ron Wisher was the only catcher reporting for practice.

Women's Athletic Association

The main activity of the Women's Athletic Association is the sponsoring of the women's intramurals program. The activities begin early in the fall with the annual picnic for all Millikin women to acquaint them with the activities of W.A.A. Many sports, such as speedball, bowling, basketball, and badminton, keep everyone busy throughout the year. In the spring honors are presented to W.A.A. members on the basis of the number of points they have achieved. Also at this time a traveling trophy is presented to the organization with the greatest number of points. Elaine Miller served as president and Miss Dorothy McClure as faculty adviser.

MRS. RALPH ALLAN

Mrs. Ralph Allan capably heads the Publicity Office at Millikin. In this position she constantly strives to publicize new events of the university, in order to make them known to Decatur and the surrounding area.

Mrs. Allan provides information and opportunities for pictures to the Decatur **Herald** and **Review** newspapers, covering such events as Town and Gown plays, Fine Arts Series, music programs, assembly programs, and special features of MU life.

News stories are sent by her office to hometown newspapers of MU students, describing individual accomplishments and affairs concerning the students. A calendar of Millikin events is mailed out to surrounding TV and radio stations and to area newspapers for Millikin coverage each week.

Knowledge . . . the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth . . . and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big . . . complex . . . strange . . . and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today . . . business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow . . . even more education and training will be needed!

Such preparation today . . . can mean much to your success tomorrow.

Whatever worthwhile you accomplish in life will cost some money; yours or anothers.

If it is to be yours, start learning to save it now. If it is to be the money of another, learn to save and pay it back.

Believe it or not, your degree of Success or Failure will depend largely upon your attitude toward thrift.
